

UNDERTAKING

I hereby state that I have understood all the terms and conditions of the NSUT, East Campus, recruitment process, and all of their college placement policies.

I understand what condition I would be getting myself into if I decide not to get involved in the college placement process. With my whole understanding and consciousness, I am taking my name off the college placement process.

Thereby, I am not taking part in the placement process of *Year* of NSUT East Campus and hereby declare that I shall not avail any benefits, direct or indirect, whatsoever, related to it.

The College T&P cell will not be held responsible for my decision no matter what the reasons are whether it's personal or any professional reasons.
